December 2017

New Newsletter Format

We are experimenting with revamping the format and frequency of ICOYC's electronic newsletter. The Editors would like to get into a monthly mode with a simple one or two page format containing a few critical or topical announcements. Send us your club announcements in a short format with links back to your club's website.

Happy Holidays, webeditor@icoyc.org.

San Francisco World Forum 2018

The agenda for the forthcoming World Forum, jointly sponsored by St Francis and San Francisco Yacht Clubs, is brimming with speakers and panels discussing the *Art of Managing Change*. As of early December, more than 70 people are registered. Read more about the program, how to register, and places to stay in San Francisco on [Forums/Upcoming World Forum](#). The latest email notification by the organizers can be read [HERE](#).

Tahiti Rally in September 2018

Join Royal Sydney Yacht Squadron and charter a yacht in Tahiti. Live your dream of sailing Tahiti on this adventure through Bora Bora, Huahine, Raiatea and Tahaa. Travel with the support of expert guides while enjoying the freedom of sailing your own catamaran. Take part in optional excursions, fun races and delicious dinners where you can socialise with other crews, taste local cuisine and experience the best that Tahiti has to offer. Details at [On the Water/ICOYC Cruises](#).

Youth Exchange Program

ICOYC Director Aaron Young of Royal New Zealand Yacht Squadron has been leading a program to facilitate the exchange of young sailors within the ICOYC community. This initiative is new and has been growing since it was launched during the 2015 Auckland World Forum. Read more about it and the participating clubs in [On the Water/ICOYC Youth Exchange](#).
