SEATTLE FORUM UPDATE - AUG 30 TO SEPT 3

Planning for the 2011 Forum in Seattle is well underway by an impressive team of members of Seattle Yacht Club. In addition to the forum sessions themselves (which will be highlighted in next month's eNews), the forum committee is working on social and fun events, too. The forum [website](#) is under constant revision as new events and program items are finalized. Check back from time to time to see what's new.

Please register now for the event so we can have a good headcount for planning purposes. Registration is with a form that you download and send in to Seattle Yacht Club. More information on the registration process can be found [HERE](#).

Hotel reservations for late Summer in Seattle are going fast because of the influx of tourists catching the cruises to Alaska. Make your reservations with the reduced rates at the Fairmont Olympic Hotel by clicking [HERE](#).

See you this summer, [Cdr Kim Lorenz](#)

FORUM SHOPPING FOR YOUR BOAT

Fisheries Supply
 Marine Supplies Since 1928

"I'm going to Fisheries, want to come along?" is one of the most often heard refrains in the marinas in the Pacific Northwest. Fisheries Supply is an up-to-date (as well as historic) full service chandlery for the region's boaters – commercial and recreational. One of the ICOYC 2011 Forum's feature events will

be a shopping trip to Fisheries Supply. This is a great opportunity to wander through the fully stocked aisles of Fisheries Supply on Wednesday, Aug 30, and to partake of its extensive inventory. If you can't find it on the shelves, Fisheries staff will order and ship it anywhere in the world. With a catalog that is over two inches thick, practically every possible item of interest to the powerboat and sailboat yachtsman worldwide is available. We hope you will enjoy your visit to Fisheries as much as we do!

SUMMER CRUISES IN THE PACIFIC NORTHWEST

The post-Forum ICOYC cruise in the Pacific Northwest is being organized by the [Seattle Yacht Club](#) and the [Royal Vancouver Yacht Club](#). The ten day cruise (September 4-14) through the American San Juan Islands and the Canadian Gulf Islands will showcase the lovely cruising waters of the PNW.

The fleet is limited to ten charter boats for Forum attendees and will be supplemented by ten boats each from SYC and RVYC. Registration forms and cost information is available in [Next Commodores Forum](#). The registration form can be downloaded from [HERE](#). Remember, the first ten boats get to go. Register

now!

For those who can't make the ten day cruise, a one day trip on a fast hydrofoil ferry to beautiful Victoria, British Columbia, is being organized for Sunday, September 3. More information is in [Next Commodores Forum](#).

ICOYC CLUBS COMPETE FOR THE BALDWIN CUP

Baldwin Cup Team Race | April 8-10, 2011, [Newport Harbor YC](#)

Nine domestic teams and one international yacht club team will face off against NHYC's best team racers this April. This fully umpired, 4 v 4 team race is sailed in Harbor 20's, a 2-man keel boat. In order to accommodate the overwhelming interest to compete, the OA has expanded to three fleets of boats allowing for a 12-team line up. This spectator-friendly regatta will be sailed in a vacated mooring field directly in front of the NHYC main dock, a perfect place to watch the action with friends.

2011 Accepted Invitations include: Balboa YC, Boston YC, Larchmont YC, New York YC, Rochester YC, [Royal Thames YC](#), San Diego YC, [Seattle YC](#), [Southern YC](#), [St Francis YC](#).

YOUR CLUB'S EVENTS ON THE ICOYC WEBSITE

The [ICOYC calendar](#) is found under [Home/Calendar](#). Its function is to publicize ICOYC events as well as the major events of your club which are of interest to other ICOYC members. Do you have an event or regatta that is regional or international in scope and to which other ICOYC members are invited? If so send us information about the event, a good photo or image for a flyer page, and a website link to WebEditor@icoyc.org.

The event will be posted on the ICOYC online calendar and will be posted on the [public](#) and [private](#) home pages under the Currents section. This type of reporting from member clubs is the responsibility of your club's correspondent to ICOYC. The section below shows a copy of Currents from the private home page.
