[WEB FORUM IS LAUNCHED!](#)

The [Web Forum](#) is a private area where members of ICOYC can initiate and participate in discussions of interest to other members. This safe and secure place can be used to gather information, help formulate club policy, discuss best practices, and to call upon the collective wisdom and experience of the others in ICOYC. This is NOT a social site for posting photos and posting shallow comments, but is a place for professional discussions among the officers and key staff of the member clubs.

Send an email message to webeditor@icoyc.org if you have problems logging in.

NOTE: the Web Forum is only open to invited members of ICOYC member clubs.
