International Members Evening

The idea of this “International Members’ Evening” came from an initiative by the Royal Hong Kong Yacht Club and is an invitation for members of ICOYC clubs who reside in the UK and who are not attending the full forum to participate in the final event. The programme includes a Brazilian-inspired cocktail hour, followed by a Brazilian mode buffet dinner, entertainment by a samba band, and dancing with a DJ. The fun starts at 5:00 pm on Saturday, September 15, at the Royal Southern Yacht Club.

ICOYC would like to extend an invitation to all members of all the yacht clubs in the International Council in the UK at the time to come and join us that evening. We think it would be an excellent opportunity for those of your members who are overseas to get together, and the evening should be great fun. Forum attendees have this program included in their conference costs, others can attend by booking with Chris Pullinger, Royal Southern Yacht Club, at secretary@royal-southern.co.uk. Tickets are £25 each. *Get the message out to your fellow club members!*

“I am pleased to announce the availability of the July 2012 issue of the ICOYC Newsletter. This edition, which I hope you find both enjoyable and informative, has a varied content. We are looking forward to the 7th ICOYC Commodores' Forum to be held at the Royal Southern Yacht Club between September 12th and 15th this year. As you will see this Forum is shaping up to be as interesting and exciting as the previous one held in Seattle. Guy Walters of RVanYC has compiled a fascinating summary of race

management whilst John Stork has put an impassioned plea to all ICOYC clubs to embrace cruising as a vital component of a successful club. To show the long and continuing history of the clubs that make up the ICOYC this edition also includes a feature on RSrnYC which is celebrating its 175th anniversary this year.”
